Flare-10L

Home Lighting

A contemporary, versatile solar light.

Meet Flare-10L, a modern twist on the classic lantern, melding timeless elegance with modern innovation. Offering Versatile illumination, perfectly merging aesthetics with adaptability.

Heated Battery

Weather Proof

Works in Winter

Solar

Eco Friendly

Osram LEDs

Benefits

- Up to 350 Lumens
- Various Brightness Output
- Efficiency 110Lm/W
- Works in Winter
- Various Installation Options Available
- Indoor and Outdoor Use
- LED Filament Bulb

Specifications

Light Brightness 350 Lumens

Solar Panel Power Monocrystalline, 4.86/2W

Li-ion Battery

Capacity 3.7V 7.4WH

Charging/Discharging Temp 0~45°C/-20~60°C

Colour Temp 4000K, Ra80

Efficiency 110Lm/W

Types of Lighting Transparent

Performance

Lighting for Rainy Days 10 days

Control Mode ON/OFF: Long press 1.5s

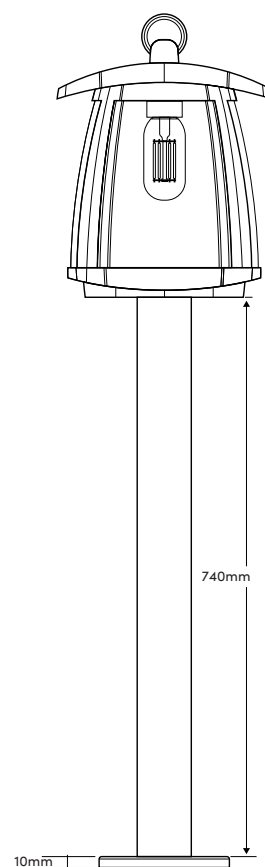

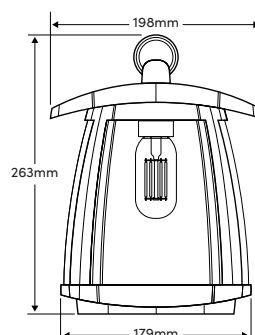

Lighting Mode M1: 25% til Dawn, M2: 50% til Dawn
M3: 75% til Dawn, M4: 100% til Dawn

Core Technology ALS2.3

IP Rating IP54

Material ABS + PET
